AGENDA

The agenda was adopted with one addition.

MEETING DATES

Future meeting dates were scheduled: July 15-16, August 12-16, September 19-20

DEVELOPMENTS – Stan Gregory

Stan reported on the State's progress toward appointing the seventh Team member.

Stan reported on the April Joint Committee on Stream Restoration and Species Restoration meeting that he and Bill attended.

Stan reported on the March Joint Interim Task Force on Salmon Recovery meeting in Salem. Stan plans to attend each Task Force meeting when possible and other Team members are encouraged to attend as available or in his place.

IMST will meet with the Core Team and the Natural Resources Cabinet in May to discuss IMST-agency relationships and IMST report recommendations. Stan, Bill, Carl, and Kathy Maas-Hebner will attend both meetings.

MINUTES

The February minutes were adopted as presented.

LOWER COLUMBIA COHO LETTER REPORT – Stan Gregory

Stan and Bill met with Kay Brown and others from ODFW to discuss the letter report and the agency's concerns over errors in the report.

ACTION: Stan and Bill will revise the letter report and reissue the letter.

PRIOR ODFW PROPOSALS

Kay Brown, ODFW, updated the Team on the Native Fish Conservation and Hatchery Management proposals.

LOWLANDS – John Buckhouse

The Team discussed recommendations for the lowlands report. After revisions, meetings will be scheduled with agencies to discuss the recommendations.

STATEWIDE RIPARIAN POLICY

Neal Coenen provided an update on the progress of the statewide riparian policy development and review process.

RECOVERY TASK FORCE

Stan introduced Jake Jacobsen, Chair of the Joint Interim Task Force on Salmon Recovery, the committee that will define recovery. Jake described the last meeting and asked the Team if they would serve as a reviewer of the NMFS Technical Recovery Team. IMST agreed to review overall scientific structure of the TRT reports.

RECOVERY GOALS – Stan Gregory

This report is on hold pending on need by the Joint Interim Task Force.

GRAVEL REPORT – John Buckhouse

There was discussion of the draft report. A revised draft will be distributed to the Team electronically.

ACTION: John and Kathy Maas-Hebner will revise based upon editorial comments and send to technical reviewers at OSU and the Division of State Lands. Revised copy after technical review will be distributed to Team electronically.

KLAMATH REPORT – Stan Gregory

The Team discussed the draft report.

ACTION: Stan and Kathy Maas-Hebner will send the report out to the Team and for technical review soon.

There was general discussion to plan for the Team's next meeting and tasks to accomplish prior to the meeting.

PUBLIC COMMENT

There were comments from Jeff McDonnell and Neal Coenen.

The meeting was adjourned at 3:05 PM.
