Application for Certification for **Water Right Examiner**

Certification as a Water Right Examiner is available by examination to individuals currently registered in Oregon as Professional Land Surveyors, Professional Engineers, or Professional Geologists. Such certification is required in order to provide services called for in ORS Chapter 537.

Since current registration is required for admission to the Water Right Examiner (WRE) examination, the application is based on information already on file in the Board office. Please **type** or **print** clearly.

Please include the fee with your application. The deadline for postmark of this application is February 3. Applications postmarked after this date will be carried forward to the *next* examination. The test is *only* offered in April.
