Professional Engineers/Land Surveyors/Photogrammetrists (PE/PLS/RPP)
Instructions for Filling Out the
Application for Registration by Examination & Related Forms

The following instructions are provided to assist in completing the application.

PLEASE READ the applicable Oregon Revised Statutes (ORSs) and the Oregon Administrative Rules (OARs). To locate the ORSs and the OARs, visit our Web site at www.oregon.gov/osbeels. Click on the "Revised Statutes" link for the ORSs. Click on the "Administrative Rules" for the OARs.

PLEASE NOTE: It is the applicant's responsibility to compile and submit all documentation required. Failure to properly fill out and complete the application forms may result in determining ineligibility for a professional examination.

It is the Applicant's responsibility to review these requirements prior to making application to the Board.

Who Should Fill Out the PE/PLS/RPP Application?

Individuals who want to apply for a **Professional Engineering (PE)** or **Professional Land Surveying (PLS)** or **Professional Photogrammetrist (RPP)** registration by examination.

Examinations Offered

There are different examinations offered in the Spring and Fall.

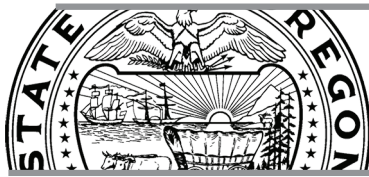

National Council of Examiners for Engineering and Surveying (NCEES) Examinations:

Spring Examinations		Fall Examinations	
Chemical	Naval Architecture & Marine Engineering	Agricultural	Industrial
Civil	Mechanical	Chemical	Mechanical
Electrical & Computer	Structural (16-hour)	Civil	Metallurgical
Environmental	Land Surveying (6-hour)	Control Systems	Nuclear
		Electrical & Computer	Structural (16-hour)
		Environmental	Land Surveying (6-hour)
		Fire Protection	

Oregon Specific Examinations:

Spring Examinations		Fall Examinations	
Forest	Photogrammetric Mapping	Acoustical	Oregon Specific Land Surveying
Oregon Specific Land Surveying		California (CA) Geotechnical	

See the following OAR for detailed information: OAR 820-010-0440.

Reasonable Accommodations

National Examinations — See the NCEES Web site for more information at www.ncees.org.

Oregon Specific Examinations — Reasonable accommodations may be provided for applicants who have documented disabilities within the meaning of the American Disabilities (ADA) Act of 1990 or for applicants whose religious convictions prohibit them from testing on the scheduled examination date.

See the following OAR for detailed information: OAR 820-010-0443.

Deadlines

Which Examination Administration?	Package must be postmarked by 5:00 p.m. on:	Last day to withdraw and forward:
Spring	December 1st	March 1st
Fall	June 1st	September 1st

Applications must be postmarked or hand delivered by 5:00 p.m. on the 1st day of December for the Spring examination administration or by 5:00 p.m. on the 1st day of June for the Fall examination administration. When this deadline falls on a Saturday, Sunday, or legal Holiday applications are accepted until 5:00 p.m. on the preceding business day.

Regardless of whether written correspondence from OSBEELS is received concerning the application status, to postpone an examination to the next examination, you must notify OSBEELS in writing by March 1st for the Spring examinations and by September 1st for the Fall examinations. Once OSBEELS processes the request, acknowledgement will be sent to the applicant regarding the status of the request. OSBEELS will not forward an examination more than once. Any requests received after the above stated dates will not be processed and fees will be forfeited.

See the following OARs for detailed information: OAR 820-010-0300 and OAR 820-010-0442.

Application Fees

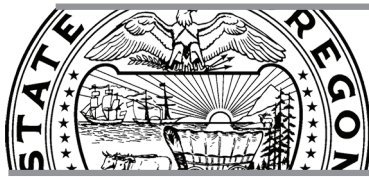

The application fees are located in OAR 820-010-0305. Application fees are non-refundable. Applicants will be notified by OSBEELS of eligibility for entrance to the examination. In addition, OSBEELS will continue to maintain and store records pursuant to the Oregon Administrative Rules Chapter 166, Division 350.

See the following OARs for detailed information: OAR 820-010-0300, OAR 820-010-0305, and OAR 820-010-0442.

Registering for An Examination

National Examinations — Once approval is received from OSBEELS, applicants are required to register for admittance to the examination with NCEES. Please visit their Web site at www.ncees.org.

Oregon Specific Examinations — Once approval is received from OSBEELS, no further action is required. Approximately three weeks prior to the examination, OSBEELS will mail admittance packets to applicants approved to sit for an Oregon specific examination. If this information has not been received within this timeframe, please contact us.

Additional General Examination Information

National Examinations — Study materials and details concerning the NCEES examinations are available on the NCEES Web site at www.ncees.org.

Oregon Specific Examinations — Study materials and details concerning the Oregon Specific examinations are available on the OSBEELS Web site at www.oregon.gov/osbeels.

About the Principles and Practice of Engineering (PE) Examination

See the following OAR for detailed information: OAR 820-010-0415.

About the Principles and Practice of Geotechnical Engineering (GE) Examination

See the following OAR for detailed information: OAR 820-010-0400.

About the Principles and Practice of Structural Engineering (SE) Examination

See the following OAR for detailed information: OAR 820-010-0417.

About the Principles and Practice of Land Surveying (PLS) Examination

See the following OAR for detailed information: OAR 820-010-0425.

About the Oregon Specific Land Surveying Examination

See the following OAR for detailed information: OAR 820-010-0425.

About the Photogrammetric Mapping Examination

See the following OAR for detailed information: OAR 820-010-0427.

How Applications are Processed

Applications will be processed according to the date received by the OSBEELS office.

GENERAL INSTRUCTIONS

- Step 1: Complete the Application form.
- Step 2: Gather completed forms and documents and put together in a single package (see OAR 820-010-0215) for mailing.
- Step 3: Send package, including application payment to the Oregon State Board of Examiners for Engineering and Land Surveying (OSBEELS):
OSBEELS
670 Hawthorne Avenue, SE
Suite 220
Salem, OR 97301
- Step 4: If correspondence has not been received from the OSBEELS within 60 days of submittal, please contact us.

Spring Examination Fall Examination **Both; Structural 16-hour**

Professional Land Surveying Examination(s)

Select examination schedule for each of the following examinations

Spring Examination Fall Examination **Both; NCEES Principles and Practices of Land Surveying and Oregon Specific Land Surveying**

Professional Photogrammetric Mapping Examination

Select payment method (choose one)

Check or Money Order (payable to the OSBEELS)

Cash

Amount Enclosed:

Debit or Credit Card (Visa, Mastercard, Discover, or AmEx)

Total Charge to Card:

Card Number

Exp. Date

Security Code*

Billing Zip/Postal Code

Signature (serves as payment authorization if paying by debit or credit card)

Signature Date (Mo/Day/Yr)

*** Debit or Credit Card Security Codes**

If submitting a payment to OSBEELS for fees by debit or credit card, please provide the security code. These codes are a security feature that appears on the back of most Visa, MasterCard, and Discover cards, and on the front of American Express cards. This code is a three or four-digit number which provides a cryptographic check on the information embossed on the card.

American Express Card Users: Look for the 4-digit code printed on the front of the card just above and to the right of the main card number. This 4-digit code is the card security code. Visa, MasterCard, and Discover Card Users: Flip the card over and look at the signature box. A special 3-digit code will be located in the signature box. This 3-digit code is the card security code.

C: General Questions

Answer the following questions:

Have you ever had any criminal convictions relating to the profession for which you are applying? Yes No

Has your professional registration ever been denied, revoked, suspended, surrendered, stipulated, on probation, or been subject to any restriction or disciplinary action in any jurisdiction? Yes No

Have you ever been found guilty of misconduct, dishonesty, fraud, incompetence, negligence, and/or gross negligence in the practice of engineering, land surveying, and/or photogrammetric mapping? Yes No

If the answer is "yes" to any of the above stated questions, please submit a written explanation on Form C-ADD with your application.

Are you a citizen of the United States? Yes No

All information provided with your response may be considered public information unless required to be kept confidential by state or federal law.

I've attached form C-ADD

D: Education Summary

Summarize your education:

Name of University/Institution	Attended (Mo/Yr to Mo/Yr)	Graduation Date	Degree Received
.....
Name of University/Institution	Attended (Mo/Yr to Mo/Yr)	Graduation Date	Degree Received
.....
Name of University/Institution	Attended (Mo/Yr to Mo/Yr)	Graduation Date	Degree Received
.....
Name of University/Institution	Attended (Mo/Yr to Mo/Yr)	Graduation Date	Degree Received
.....

I've attached form D-ADD listing additional Universities/Institutions

To go along with Section D: Education Summary you will also need to provide:

Official Transcripts from each University/Institution listed

For each University/Institution listed above and on Form D-ADD you must request an official transcript. These transcripts must be kept in the original and **unopened** envelopes from the Registrar's office and must be included in the application package when it is submitted to OSBEELS. OSBEELS will not accept photocopies and/or opened transcripts.

See the following OARs for detailed information: OAR 820-010-0225, OAR 820-010-0226, OAR 820-010-0227, OAR 820-010-0228, OAR 820-010-0230, OAR 820-010-0231, and OAR 820-010-0236.

E: Verification Summary	Summarize EI/LSI Examination and Certification		
	State Issued Certification	Certification Number	Issue Date (Mo/Day/Yr)
	State Issued Certification	Certification Number	Issue Date (Mo/Day/Yr)

To go along with Section E: Verification Summary you must also have a Licensing Authority complete a Verification.

Form E-1: Verification Request

If the Fundamentals of Engineering and/or Land Surveying examination was successfully completed in the State of Oregon, Form E-1: Verification Request is not necessary.

See the following ORSs and OARs for detailed information: ORS 672.102, ORS 672.115, OAR 820-010-0230, OAR 820-010-0231, and OAR 820-010-0236.

F: Reference Summary

Summarize your references; provide a minimum of five names, and at least three must be registered professionals

Reference #1. Name	Daytime Telephone	Occupation
Mailing Address	Registration No.	State of Registration
Reference #2. Name	Daytime Telephone	Occupation
Mailing Address	Registration No.	State of Registration
Reference #3. Name	Daytime Telephone	Occupation
Mailing Address	Registration No.	State of Registration
Reference #4. Name	Daytime Telephone	Occupation
Mailing Address	Registration No.	State of Registration
Reference #5. Name	Daytime Telephone	Occupation
Mailing Address	Registration No.	State of Registration

I've attached form F-ADD listing additional references

To go along with Section F: Reference Summary you must also complete and have others complete:

Form F-1: Reference Details

Have each reference listed above (and on Form F-ADD) complete a copy of Form F-1: Reference Details.

Qualifying experience accrued must be included in the application, and all qualifying experience must be certified as meeting the definition of engineering technician, land surveying technician, or photogrammetric mapping technician work, and/or engineering, land surveying, or photogrammetric mapping work by the registrant who supervised the work.

See the following OARs for detailed information: OAR 820-010-0010 and OAR 820-010-0255.

G: Experience Summary

List your experience in date order, beginning with your most recent or current position. Time is calculated in years and months up to the examination date.		Work Time in Years and Months (for example, 2 years 0 months, 3 years 11 months)			
		performing engineering technician, land surveying technician, or photogrammetric mapping technician work		performing engineering, land surveying, or photogrammetric mapping work	
Employer/Company #1 name	Start Date (Mo/Yr)	# Years AND	# Months	# Years AND	# Months
Positions Held	End Date (Mo/Yr)				
Employer/Company #2 name	Start Date (Mo/Yr)	# Years AND	# Months	# Years AND	# Months
Positions Held	End Date (Mo/Yr)				
Employer/Company #3 name	Start Date (Mo/Yr)	# Years AND	# Months	# Years AND	# Months
Positions Held	End Date (Mo/Yr)				
Employer/Company #4 name	Start Date (Mo/Yr)	# Years AND	# Months	# Years AND	# Months
Positions Held	End Date (Mo/Yr)				
Employer/Company #5 name	Start Date (Mo/Yr)	# Years AND	# Months	# Years AND	# Months
Positions Held	End Date (Mo/Yr)				
		# Years AND	# Months	# Years AND	# Months
<i>Total from Form G-ADD (if applicable):</i>					
<i>Grand Total of All Experience Listed:</i>					

I've attached form G-ADD listing additional experience

To go along with Section G: Experience Summary you must also complete:

Form G-1: Experience Details

H: Social Security Guidelines

As part of your application for an initial or renewed occupational, professional or recreational license, certification, or registration issued by OSBEELS, you are required to provide your Social Security Number to OSBEELS. This is mandatory. The authority for this requirement is ORS 25.785, ORS 305.385, 42 USC § 405 (c) (2) (C) (I), and 42 USC § 666 (a) (13). **Failure to provide your Social Security Number will be a basis to refuse to issue or renew the license, certification, or registration you seek.** This record of your Social Security Number will be used for child support enforcement and tax administration purposes (including identification) only, unless you authorize other uses of the number. Although a number other than your Social Security Number appears on the face of the licenses, certificates, or registrations issued by OSBEELS, your Social Security Number will remain on file with OSBEELS.

If, the United States Social Security Administration has not issued you a social security number, you must follow these guidelines:

- a. form must be signed by you;
- b. you are attesting to the fact that no social security number has been issued to you by the United States Social Security Administration; and
- c. are acknowledging that knowingly supplying false information under this section is a Class A misdemeanor, punishable by imprisonment of up to one year and a fine of up to \$6,250.

By providing the following signature, you are agreeing to comply with the guidelines listed above

Signature

Date (Mo/Day/Yr)

I: Applicant Signature

I hereby certify under penalty of perjury that the information provided on this application and all appended sheets is true and correct. I am the applicant named in this application, I have read the contents thereof and, to the best of my knowledge and belief, the foregoing statements are true and correct in every respect.

for Section D, Education Summary

Applicant Name

D-ADD: Additional Universities/Institutions

Summarize your education

Name of University/Institution	Attended (Mo/Yr to Mo/Yr)	Graduation Date	Degree Received

For each University/Institution listed above you must request an official transcript. These transcripts must be kept in the original and unopened envelopes from the Registrar's office and must be included in the package when it is submitted to OSBEELS. OSBEELS will not accept photocopies and/or opened transcripts.

Professional Engineers/Land Surveyors/Photogrammetrists

E-1: Verification Request

for Section E, Verification Summary

Complete the Applicant Information section and submit to the state board for completion. The Verification Request form may be included in the package in the original and **unopened** envelope. However, some states may require direct submission to OSBEELS.

Note that some states may require a fee for this service.

If the Fundamentals of Engineering or Land Surveying (FE/FLS) examination was taken in the State of Oregon, you do not need to complete or send this form, but must complete the Verification Summary on page 4 of the Application form.

F-1: Reference Details for Reference # _____

for Section F, Reference Summary

Complete one copy for each reference. Fill out the Applicant Information section before delivering it to the reference for completion. Make sure the number used for their summary information in Section F of the Application form or on form F-ADD matches the number you write in the space above. When the reference returns this form to you put the original, **unopened**, and signed envelope in the package for OSBEELS.

References need to have knowledge of your engineering technician, land surveying technician, or photogrammetric mapping technician work (if applicable) and engineering, land surveying, or photogrammetric work. Provide a minimum of five references; at least three must be registered professionals. For information regarding references, please refer to OAR 820-010-0255.

INSTRUCTIONS FOR REFERENCE

Your name appears as a reference that can attest to the applicant’s ability and professional experience as a professional engineer, professional land surveyor, or professional photogrammetrist (as indicated in applicant section). In addition to the written record completed by the applicant, OSBEELS needs the testimony of those who can, from personal knowledge, attest to the competency of the applicant in the field of practice for which the applicant has applied. Thus, OSBEELS respectfully requests your assistance in fulfilling its responsibility to the extent of asking you to answer all the questions on this form.

Please complete the following sections and return this entire form to the applicant in a sealed envelope. Please sign your name across the sealed edge on the return envelope.

.....

.....

.....

Answer the following questions:

Does the applicant's work meet the definitions as indicated in the ORS 672.005, ORS 672.020, ORS 672.025, ORS 672.028, and OAR 820-010-0010? Yes No

If NO, please explain:

.....

.....

.....

.....

If registered as an engineer, land surveyor, or photogrammetrist would you employ the applicant in a position of trust? Yes No

If NO, please explain:

.....

.....

.....

Please review the ORS 672.045, the ORS 672.200, and the rules of Professional Conduct in Division 20 of the Oregon Administrative Rule (OAR) Chapter 820. Do you have reason to believe that the applicant has violated any of these standards? Yes No

If YES, please explain:

.....

.....

.....

Do you have any reservations concerning this applicant? Yes No

If YES, please explain:

.....

.....

.....

Do you recommend that we check further? Yes No

If YES, please explain:

.....

.....

.....

Additional Remarks. OSBEELS requests that you comment on information regarding the applicant's engineering technician, land surveying technician, or photogrammetric mapping technician work (if applicable), and/or engineering, land surveying, or photogrammetric mapping experience, and estimate their potential in the practice of engineering, land surveying, or photogrammetry. Please direct your remarks to the field of practice applied for in the section filled out by the applicant.
