

# EXHIBIT 1: OFFICIAL SEALS (OAR 820-010-0620)

## OREGON STATE BOARD OF EXAMINERS FOR ENGINEERING AND LAND SURVEYING

**820-010-0620 Official Seal:** (1) Seals, as referenced by ORS 672.020(2) and 672.025(2), must contain the printed name of the registrant, the date of registration, the number of the registrant's certificate of registration, and the registrant's professional title. The registrant's printed name on the seal will be exactly the same as the name printed on registrant's certificate of registration.

(2) The size, design and content of the seal will be an exact replica, in style, of the examples shown in Exhibit 1 (Official Seals) for the profession or branch of the profession in which the registrant is licensed. (A tolerance of 1/4" is permitted as to the size of the seal). The expiration or renewal date may be made part of the seal. If the expiration or renewal date is not made part of the seal, it must be handwritten, in permanent ink, after the word "Expires" or "Renews." Reduced or enlarged seals are not permitted on final documents.
