This is mandatory. The authority for this requirement is Oregon Laws 1997, Chapter 746, section 117 (ORS 25.785) and 42 USC 666(a)(13). Failure to provide your Social Security Number will be a basis to refuse to issue or renew the license, certification, or registration you seek. Although a number other than your Social Security Number appears on the face of the licenses certificates, or registrations issued by the Board of Geologist Examiners, your Social Security Number will remain on file with the Board of Geologist Examiners. This record of your Social Security Number will be used for child support enforcement purposes only, unless you authorize other uses of the number.
