PUBLIC SESSION

Board President Bonnie Kostelecky opened the meeting in Public Session for the purpose of Board discussion and direction related to adding extra meetings during the year. There was Board discussion related to adding time to one of the two summer Board meetings, July or August, or adding an evening meeting the evening prior to the two-day Board meetings. In addition, there was discussion regarding adding a teleconference Board meeting in December, currently the only month in which there are no Board meetings. Ms. Kostelecky stated she would summarize the options and asked that Board members provide feedback; further discussion and decision will be made at the February 2016 Board meeting.

Ms. Kostelecky stated that here is a CLEAR (Council on Licensure Enforcement and Regulation) training conference scheduled the same week as the September Board meeting, this year scheduled in Portland. Due to the fact that several staff members will be attending that meeting, it was suggested that the September Board meeting be moved to the prior week. Board direction to move the September Board meeting to September 7th and 8th; Board Work Session September 9th. Meeting notices will be changed, posted, and distributed as appropriate.
