Met 8:00 a.m. – 10:00 a.m.

Location: In the OSBN Office Space

Topic	Discussion	Action/Recommendation
Introductions		N/A
Review of Previous Work and Recommendations	<p>The group reviewed/discussed work on the policy to date. Would like to:</p> <ul style="list-style-type: none"> • Change some of the philosophical language to make it clear • Update references • See most if not all of the Advanced Practice Nurse section of this policy moved into the APN section of the Nurse Practice Act or add this section to a different policy directed at APNs 	<p>Joy to check with Tracy Klein what to do with Advanced Practice Nurse Information</p>
Review of other State Policies	<p>Kathy shared copies of Pain Management policies from several other States to look at format and see if something had already been written to assist us with this process.</p> <ul style="list-style-type: none"> • Determined that many States have much of the same information as Oregon • All agreed that the Massachusetts Board of Nursing has an advisory ruling that covers knowledge and skills very succinctly • Decided as a group that we would like our policy to incorporate most of the knowledge and skills section used by Massachusetts 	<p>Joy to contact Massachusetts Board of Nursing about use of their work</p>
Development	<p>Decisions made on formatting, information and flow for the Oregon policy. Ali typed up our draft policy.</p>	N/A
Next Steps	<p>Add references and definitions and get draft out to the sub-committee members</p> <ul style="list-style-type: none"> • Definitions – Use everything under definitions in OSBN current policy add in suffering, break through pain, pseudo addiction, palliative to definitions and move up to section in front • Look at Kolcaba comfort theory and see if we can add anything • Katie to add her example of range orders 	<p>Kathy to add references and definitions, review Kocaba theory and get draft out to others</p> <p>Katie to add range order example</p>
