The Oregon Clean Marina Program promotes and celebrates voluntary adoption of measures to reduce pollution from marinas and recreational boats. Designated "Clean Marinas" are recognized as environmentally responsible businesses.

As the first step toward achieving Clean Marina status and on behalf of

(name of marina, boatyard, yacht club, or floating home marina)

I pledge to do my part to keep Oregon's waterways free of harmful chemicals, excess nutrients, and debris.

I will identify opportunities and implement practices to control pollution associated with:

- ◆ Facility management
- ◆ Hauling and storing boats
- ◆ Fueling
- ◆ Mechanical activities
- ◆ Painting and fiberglass repair
- ◆ Emergencies

I commit to actively pursue full standing as an Oregon Clean Marina. Within one year of the date below, I will implement appropriate pollution prevention practices and will apply to the Oregon State Marine Board for recognition as an Oregon Clean Marina.
