8. Crosswalk Between 12 AND 16 PURPOSE AREAS

Please use the following chart to guide your selection of performance indicators. Specifically, the first column lists each of the 12 JAIBG purpose areas. The second column contains the number(s) of the 16 purpose areas that now encompass the activities of goals defined through the 12 areas. In addition to encompassing all of the JAIBG activities, the JABG purpose areas include additional activities and goals. Therefore, you should use this conversion table as a starting point for your selection of indicators.
