

**FIRE
WARNING**

**MOST HOME FIRES START IN
THE KITCHEN.**

What to do if one starts in yours: Never put water on a grease or oil fire. Keep a lid handy when cooking. If a fire starts in a pan, turn off the burner and carefully slide the lid over the pan to extinguish the fire. Don't run outside with the burning pot. Keep a fire extinguisher in the kitchen. If the fire continues, leave the home and call 9-1-1.
