

FIRE
WARNING

**A MESSY HOME CAN BE
DOWNRIGHT DANGEROUS.**

Your home is full of fire starting potential. Factor in clutter and the potential for fire danger increases. Items piled in hallways can not only become the source of a fire, but can block or trip you and your family as you attempt to flee. A messy home can be a dangerous place to live.

A Message from the Oregon Life Safety Team: A Coalition of
Fire Service, Community and Insurance Professionals

**HOME FIRE
SAFETY**

IS UP TO YOU!
