

“I have attended many over the years and I must say this was the very first time that I actually struggled with which sessions to visit. Wonderful speakers! Great breakouts!”

“I appreciated the opportunity to attend and present. Thanks for making it very worth my while to attend and share.”

“The classes were outstanding and the hospitality warm and friendly.”

Educational Program:

28 Breakout Sessions

3 Three-hour Workshops

Car Seat Technician CEUs

JFIS CEUs

State & National Experts

International Audience

Networking Opportunities

Risk Reduction Exhibitors

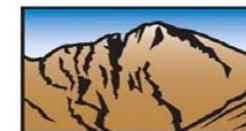

The Rocky Mountain Park Inn and Estes Park Convention Center are adjacent to Rocky Mountain National Park. Modern amenities and welcoming staff soften your stay in the rugged Rockies with everything you need to help unwind between classes. An indoor swimming pool, hot tub, fitness room, free wi-fi and Longz, the onsite restaurant and lounge, are all available for your enjoyment.

Fire & Life Safety Educators Conference of the Rockies

We focus on risk reduction and effective program delivery. Join colleagues in the fire, EMS, law enforcement, hospital and emergency preparedness services and the private sector from across the continent for this 3-day professional development conference.

Fire & Life Safety Educators of Colorado

We are a network of life safety professionals who are responsible for changing the attitudes, behaviors, environments and technologies in our communities to reduce risk and prevent fires, injuries, illnesses and property loss. We share resources, provide professional development and draw on the cumulative expertise of the group to expand and improve the risk reduction capacity of member organizations. Visit our website:

www.FireSafetyEducators.org
