Thank you for applying. The Incident Commanders, Deputy Incident Commanders and relevant command and general staff of the State Fire Marshal's Incident Management Teams will review all nominations and select participants. OSFM will notify you of your selection status.

Incident Management Team position vacancies are offered first to other team members and then selected from the position pool. If a position is not open, individuals selected for the teams will be placed, by position, in a pool. OSFM will mobilize individuals from the pools when necessary to fill a vacated position on a team, to fill a temporary vacancy on a team or to provide additional staffing to a mobilized team. Individuals will be rotated in their position pool.

The rotation list was established by lot. New pool members will go, by lot, to the bottom of the rotation list. Individuals mobilized for an incident will go to the bottom of the list. Individuals unavailable for a mobilization will retain their position on the list. Individuals who accept a mobilization and fail to respond will be removed from the list. Individuals mobilized from the pools will be considered single resources and costs will be reimbursed as any resource mobilized under the Conflagration Act and the Oregon Fire Service Mobilization Plan.
