Introductions were made.

Minutes from the October TTAC meeting in Roseburg were approved.

NFPA 472 COMMITTEE UPDATE ~ Julie Olsen-Fink, DPSST

Julie provided an overview of the new HazMat Technician certifications. The task book was been posted for 25 days for public comment and no comments were made.

These are for certifications and does not certify as team member.

E-GOV SECURE WEBSITE ~ TINA TONEY, OSFM

Tina provided an overview of the new E-Gov secured website for HazMat Team Memvers. TAG and TTAC members will be receiving a password to review and provide comment in April.

EVANITE DRILL ~ TINA TONEY, OSFM

This drill was coordinated by the South Region US&R team to be an explosion in a wood mill. The intent of this drill was to identify what the disciplines can work better at. One area identified during this drill was operations.

A committee will be put together of team members from HazMat, IMT, and US&R to coordinate a drill for 2010. If you are interested in being on the committee please email Mariana.

TRAINING PROPS ~ FORREST CHAMBERS, HM02

OSFM has purchased a tanker truck roll-over. All of the HazMat props will be put into a 14 foot trailer with everything needed to use the props for training. The trailer will be put on a rotation schedule for all teams to use. Once this is done an email will go out to all of the teams with the schedule. The schedule will also be posted on the E-Gov website for all teams to have access to the trailer when needed.

TASK BOOK REPORTING ~ JAMIE KOMETZ, OSFM

Just as a reminder that the task books report form needed to be turned in on January 10, please email your training report to Jamie.

A work group will be put together to go over the task book training that was held in September to go over what worked, what didn't and anything that should be added or taken off.

2010 CONFERENCE UPDATE ~ Jamie Kometz, OSFM

Registration for the 2010 HazMat Conference is now open for HazMat team members and will be available to the public on January 15. So far a total of 95 team members have registered. A printed roster of the team members registered has been made for each team, please review and let Jamie know by the end of the week if everything is correct.

Please get award nomination forms to Jamie by March 1st for the committee to review.

The BBQ and HazMat Olympics are back this year, as well as the silent auction to benefit the Randy Carpenter foundation. Each team is being asked to donate something for this year's silent auction. Please get your teams' donation information to Ryan Martin.

Please get any vendor information to Stacy Brainard at Klamath County Fire, as of today there are only 6 vendors registered for the conference.

QUARTERLY TEAMS TRAINING & OUTREACH REPORT

A quarterly training and outreach report was provided by each team present.

NEW BUSINESS

TVF&R is working with Vancouver Fire Department to offer specialized training to the HazMat teams; Steve Boughey will get the information out to all the teams.

Teams can go to their local LEPC to ask for funds to put on team drills. If there is not a LEPC set up for the area you can contact the Planning & Training Assistance unit at OSFM.

A highway safety training class will be put on with LEPC monies that should cover just about everything but the work hours. Steve Best will get the details out to everyone for team members that would like to attend.

There is some up coming tech weeks 1&2 as well as 3&4 training being held at TVF&R; Steve will get the dates out to all of the teams.

If teams need more DVDs or brochures please contact Jamie.

The meeting adjourned at 4:10 p.m.

The next TTAC meeting will be combined with TAG on April 13, 2010 at 9:30 AM in Salem.
