

LEPC PLAN PROVISIONS

(As stated in SARA Title III, Section 303 (c))

Each emergency plan shall include (but is not limited to) each of the following:

- 1) Identification of facilities subject to the requirements of this subtitle that are within the emergency planning district, identification of routes likely to be used for the transportation of substances on the list of extremely hazardous substances referred to in section 302 (a), and identification of additional facilities contributing or subjected to additional risk due to their proximity to facilities subject to the requirements of this subtitle, such as hospitals or natural gas facilities.
- 2) Methods and procedures to be followed by facility owners and operators and local emergency and medical personnel to respond to any release of such substances.
- 3) Designation of a community emergency coordinator and facility emergency coordinators, who shall make determinations necessary to implement the plan.
- 4) Procedures providing reliable, effective, and timely notification by the facility emergency coordinators and community emergency coordinator to persons designated in the emergency plan, and to the public, that a release has occurred (consistent with the emergency notification requirements of section 304).
- 5) Methods for determining the occurrence of a release, and the area or population likely to be affected by such a release.
- 6) A description of emergency equipment and facilities in the community and at each facility in the community subject to the requirements of this subtitle, and an identification of the persons responsible for such equipment and facilities.
- 7) Evacuation plans, including provisions for a precautionary evacuation and alternative traffic routes.
- 8) Training programs, including schedules for training of local emergency response and medical personnel.
- 9) Methods and schedules for exercising the emergency plan.
