

Board Member Change

The Board of Tax Practitioners welcomes a new Board member. Michael Addington will be joining the Board in May. Michael has been a licensed tax consultant and enrolled agent for many years, with a business in Bend. Michael will bring to the Board his experience and perspective of Central Oregon issues. I would encourage everyone to welcome Michael to the Board.

Michael will be replacing Cheryl Brown on the Board. Cheryl Brown has held her position on the Board since February 1, 1996. Cheryl has been a major contributor to the Board's success over the years and will be greatly missed.

Welcome Michael and a sincere thank you to Cheryl.
