**RULE SUMMARY**

The Oregon Administrative Rule revisions the Board of Tax Practitioners is proposing are to:

- 1) Add a provision to specify the currently required 75% passing score for the consultant's state-only examination which is administered to individuals who hold an active treasury card verifying they are enrolled to practice before the Internal Revenue Service.

The proposed amendments to OAR 800-020-0020 will provide clarification on the examination passage requirements for individuals who qualify for the consultant's state-only examination as an enrolled agent.

ORS 183.335(2)(b)(G) requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
