

OYA *In the Loop*

April 7, 2009

Every agency in state government presents its portion of the Governor's Recommended Budget to the Legislature, and now it is our turn. Thursday marks the beginning of our testimony before the Public Safety Subcommittee of the Joint Committee on Ways and Means.

Members of the public have an opportunity to share their views on the budget with members of the subcommittee. The day set aside for public testimony is Monday, April 13. This is an opportunity for OYA's partners, people we serve, and communities we impact to participate in the democratic process.

All of the hearings are scheduled to begin at 3 p.m. in Room H-170 of the State Capitol, and are expected to last approximately 90 minutes.
