Request for Verification to Entities Other Than a Licensing Board

A completed verification is an official stamped document that is composed of the individual's name, method of certification(s) and/or registration(s), certification number(s), registration number(s), issuance date(s), expiration date, and disciplinary action(s), if applicable.

PLEASE NOTE: All fees must be paid in full prior to processing the Request for Verification.

The required fee to process each verification request is \$15.00 (see OAR 820-010-0305). All verifications being submitted to state licensing boards must be requested online through the National Council of Examiners for Engineering and Surveying (NCEES) (<https://verify.ncees.org>).

Who Should Fill Out the Request for Verification form?

Individuals certified as an engineering intern (EI) and/or land surveying intern (LSI), a professional engineer (PE), professional land surveyor (PLS), and/or registered professional photogrammetrist (RPP) in the State of Oregon who wish to obtain a verification for personal records, to provide to an employer, organization or for any reason other than verifying examination history and registration information to another state's licensing board.

How Requests are Processed

Requests will be processed according to the date received by the OSBEELS office.

GENERAL INSTRUCTIONS

Step 1: Send form and payment to the Oregon State Board of Examiners for Engineering and Land Surveying (OSBEELS):

* Debit or Credit Card Security Codes

If submitting a payment to the OSBEELS for fees by debit or credit card, please provide the security code. These codes are a security feature that appears on the back of most Visa, MasterCard, and Discover cards, and on the front of American Express cards. This code is a three or four-digit number which provides a cryptographic check on the information embossed on the card.

American Express Card Users: Look for the 4-digit code printed on the front of the card just above and to the right of the main card number. This 4-digit code is the card security code. Visa, MasterCard, and Discover Card Users: Flip the card over and look at the signature box. A special 3-digit code will be located in the signature box. This 3-digit code is the card security code.
