

Estimated Mailing Time Line for Individual Letters Regarding Overpayment Recovery Amounts and Repayment Options

PERS has mailed individual letters regarding overpayment recovery amounts to those whose last names begin with “A” through the name “Shaw.”

We anticipate sending letters to the remaining population (including those with P&F units and deceased member accounts) by the end of June 2013.

If a benefit recipient has a secondary retirement benefit in addition to P&F Units, letters for both retirements will be sent in the same month.

If a deceased member has a P&F Unit overage, letters for both retirements will be sent in the same month.
