

2009 Member Annual Statements

Member annual statements for 2009 are scheduled to be mailed by the end of May 2010. Active and inactive members should receive a 2009 annual statement by June 5.

Annual statements for active members are mailed to addresses provided to PERS by employers. Please provide your employer with your new address if you move.

Annual statements for inactive members are mailed to addresses on file at PERS. To update your address, please complete the [Information Change Request](#) form.

For Tier One/Tier Two members, the statement will show your Tier One/Tier Two and Individual Account Program (IAP) account information for the year ending December 31, 2009.

For Oregon Public Service Retirement Plan (OPSRP) Pension Program members, the statement will show your accrued retirement credit and your IAP account information for the year ending December 31, 2009.

Tier One/Tier Two regular accounts, variable accounts, and IAP accounts will show investment results for 2009. [Click here for information regarding 2009 earnings crediting.](#)

Each annual statement will again display an individual PERS identification number instead of the last four digits of a member's Social Security number. Please use your PERS identification number when contacting PERS.

Sample annual statements with pop-up boxes are posted ([Tier One](#), [Tier Two](#), [OPSRP](#)). If you move your mouse to a field on the sample statement (i.e., name, total 2009 account balance, classification, etc.), a pop-up box describes the field.
