## General System: Terms and Explanations

**Report run on:** Date report is generated.

**Services Completed:** Date services were completed. The report data is based on the population selected by outcome or services-completed date. Services may have started prior to this date.

**Participating Agencies:** State-level entities that are partners in the state's one-stop system and contributors of funding and data to PRISM.

**Confidentiality:** Only individuals who have been provided with informed consent are included in the PRISM reports.

### **Footnotes:**

\* Suppressed Data - cells with two or fewer records, in either or both of the Total Exited and Total Employed columns, are not published due to confidentiality restrictions. These data are added to the "Unknown/Suppressed Data" category.

\*\* Report reflects all data submitted for time period shown.

## Placement Indicator: Terms and Explanations

*Summary statistics compiled from the unemployment insurance (UI) wage files and PRISM database on initial employment after completing services. **Only participants with employment as a goal are included in this report.***

**Total Exited:** The total number of participants who received services and exited the program.

**Total Employed:** The total number of participants with hours of work reported in the UI wage records.

Some individuals may have received services in more than one region or from more than one agency.

**Total Individuals:** An unduplicated count of individuals who received services and exited during the Services Completed period.

**Placement Rate:** The percent of participants who were employed after receiving services.

**Calculation Placement Rate:** The total number of participants who were employed the quarter of exit or the first quarter after exit divided by the total number of participants who exited during the reporting period.

**WRIS:** Reports produced with a service completed date on or after July 1, 2005 include out-of-state wage data. These data are limited to by agreement for individuals served by Title 1B and the Employment Department. Out-of-state wage data are supplied by the states through the Wage Record Interchange System (WRIS). This clearinghouse for wage data allows states to track employment history of individuals who have participated in state workforce investment programs and subsequently left the state.
