## General System: Terms and Explanations

**Report run on:** Date report is generated.

**Services Completed:** Date services were completed. The report data is based on the population selected by outcome or services-completed date. Services may have started prior to this date.

**Participating Agencies:** State-level entities that are partners in the state's one-stop system and contributors of funding and data to PRISM.

**Confidentiality:** Only individuals who have been provided with informed consent are included in the PRISM reports.

### **Footnotes:**

\* Suppressed Data - cells with two or fewer records, in either or both of the Total Exited & Placed and Total Retained columns, are not published due to confidentiality restrictions. These data are added to the "Unknown/Suppressed Data" category.

\*\* Report reflects all data submitted for time period shown.

## Retention Indicator: Terms and Explanations

*Summary statistics compiled from the unemployment insurance (UI) wage files and PRISM database on continuous employment approximately one year after completing services. **Participants are not required to have a goal of employment to be included in this report.***

**Total Exited & Employed:** The total number of participants who received services and exited the program and who went to work in the quarter of exit or the first quarter after exit.

**Total Retained:** The total number of participants with four continuous quarters of hours of work reported in the UI wage records.

**Retention Rate:** The percent of participants who have been employed in four continuous quarters after the quarter of exit.

**Calculation Retention Rate:** Total Retained divided by Total Exited & Employed.

**WRIS/WRIS2:** Reports produced with a service completed date on or after July 1, 2005 include out-of-state wage data for Title 1B and Employment Department. Reports produced with a service completed date on or after October 1, 2009 included limited out-of-state wage data for Community Colleges, Title II Adult Basic Education, Children, Adults and Families, and Vocational Rehabilitation. Out-of-state wage data are supplied by the states through the Wage Record Interchange System (WRIS and WRIS2). This clearinghouse for wage data allows states to track employment history of individuals who have participated in state workforce investment programs and subsequently left the state.
