

## Social Security Number Requirement, Authority and Disclosure Statement

As part of your application for an initial, renewed, or reinstated professional license issued by the Oregon Physical Therapist Licensing Board (PT Board), you are required to provide your Social Security Number to the PT Board. This is mandatory. Failure to provide your Social Security Number will be a basis for the PT Board to refuse to issue, renew, or reinstate the license. Although a number other than your SSN appears on the face of the license, your Social Security Number will remain on file with the PT Board. If warranted, your SSN may be used for background checks, child support enforcement, federal and state tax administration, and the reporting of final disciplinary actions against your PT / PTA license to the National Practitioner Data Bank (NPDB). Any other use of your SSN will require your written authorization.
