RE: AR 518 – Comments on Staff’s Draft Proposed Methodology for Determining Annual Revenue Requirement

Ms. Bailey-Goggins,

Portland General Electric (PGE) appreciates the opportunity to provide comments on Staff’s draft proposed methodology for determining annual revenue requirement as it relates to Section 12 (3) of SB 838.

PGE proposes foregoing the November 15th date to file the Annual Revenue Requirement to December 1, 2010 for the first compliance year, 2011. We understand that by November 15th final power costs are known. RAC updates are due by December 1. PGE proposes the December 1st date to alleviate what will inevitably be multiple filings of the annual revenue requirement due the timing of power costs and the RAC filings.

If you have any questions or require further information, please call Rebecca Brown at (503) 464-8545. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com

Sincerely,
