STAFF RECOMMENDATION:

I recommend that the Commission allow Idaho Power Company's Advice No. 01-11 to go into effect on January 24, 2002.

DISCUSSION:

Idaho Power Company (IPCo) filed Advice No. 01-11 with the OPUC on December 10, 2001, under ORS 757.205. This is a housekeeping filing that makes several changes to IPCo's Oregon Service Territory tariffs. Tariff revisions include:

- In Schedule 19 (*Large Power Service*), the blank for the Agreement year is changed from "19__" to "20__".
- In Schedule 41 (*Municipal Street Lighting Service*), the Ornamental Lighting Service subsection, that was closed to new service after June 10, 1982 and has no current customer participation, is retired.
- Schedule 23 (*Irrigation Buy Back Program – Optional*), that was in effect for the 2001 agricultural growing season (March 1 through November 30) is retired.
- In Advice No. 01-05A (effective June 18, 2001) the minimum charge in Schedule 40 (*Unmetered General Service*) was increased from \$1.00 to \$1.50. The listing in Schedule 66 (*Miscellaneous Charges*) is updated to reflect this change.
- The Schedule Index is updated to reflect current Schedules and sheet numbers.
