

ITEM NO. CA1

**PUBLIC UTILITY COMMISSION OF OREGON  
STAFF REPORT  
PUBLIC MEETING DATE: November 5, 2002**

**REGULAR**  **CONSENT**  **EFFECTIVE DATE** November 6, 2002

**DATE:** October 28, 2002

**TO:** John Savage through Phil Nyegaard and Lance Ball

**FROM:** David Sloan

**SUBJECT:** VERIZON NORTHWEST INC.: (Advice No. 794) Modifies tariff language for Frame Relay Service termination liability.

**STAFF RECOMMENDATION:**

Staff recommends the filing be allowed to go into effect.

**DISCUSSION:**

On October 3, 2002, Verizon Northwest Inc. (the Company) filed Advice No. 794 proposing clarifying language modifications to its tariff PUC OR. 18. The effective date is November 6, 2002. The modification clarifies that the termination liability for Frame Relay Service is consistent with the Termination Liability language in the General Regulations section of the Company's tariff.

The filing is in compliance with ORS 759.190, which requires the Company to give a 30-day notice to the Public Utilities Commission for any change made to its tariff schedules, and with OAR 860-022-0025, which permits a utility to make tariff changes and establishes the type of information a utility must submit with a tariff filing.

The filing will have no revenue impact and is not contrary to the public interest.

**PROPOSED COMMISSION MOTION:**

The tariff sheets filed with Verizon Northwest, Inc.'s Advice No. 794 be allowed to go into effect for service rendered on or after November 6, 2002.
