

**PUBLIC UTILITY COMMISSION OF OREGON  
STAFF REPORT  
PUBLIC MEETING DATE: April 15, 2003**

**REGULAR**  **CONSENT**  **EFFECTIVE DATE** \_\_\_\_\_

**DATE:** April 9, 2003

**TO:** John Savage

**FROM:** Lois Meerdink through Vikie Bailey-Goggins

**SUBJECT:** **TELECOMMUNICATIONS COMPETITIVE PROVIDERS:** Request for Commission orders to cancel certificates to provide telecommunications service in Oregon of competitive providers who have not complied with Oregon Universal Service Fund requirements.

**STAFF RECOMMENDATION:**

Staff recommends the certificates of authority to provide telecommunications services for the competitive providers listed below be cancelled.

**DISCUSSION:**

Oregon Revised Statute (ORS) 759.020 authorizes the Commission to grant certificates of authority to telecommunications competitive providers who intend to provide telecommunications service in Oregon. The Commission grants certificates with conditions. One is ORS 759.425 which requires them to comply with Oregon Universal Service Fund requirements. Pursuant to OAR 860-032-0015(1)(b) and OAR 860-032-0008, failure to comply with applicable Oregon Revised Statutes and Oregon Administrative Rules can result in cancellation of the companies' authority to provide telecommunications service in Oregon.

The following competitive providers have not complied with Oregon Universal Service Fund requirements. As a result of not complying with Commission rules and terms of their certificates, the following certificates of authority to provide telecommunications service in Oregon should be cancelled:
