REGULAR _____ CONSENT X EFFECTIVE DATE April 19, 2006

DATE: April 3, 2006

TO: Public Utility Commission

FROM: Renee Sloan

THROUGH: Lee Sparling, Marc Hellman, and Michael Dougherty

SUBJECT: SHADOW WOOD WATER SERVICE: (Advice No. 06-19) Makes housekeeping changes.

STAFF RECOMMENDATION:

Pursuant to ORS 757.205, Staff recommends approval of the proposed housekeeping changes to Shadow Wood Water Service's (Shadow Wood) Miscellaneous Services Charges tariff, as submitted in Advice 06-19, to be effective April 19, 2006.

DISCUSSION:

At its November 22, 2005, Public Meeting, the Public Utility Commission of Oregon voted to continue the current maximum 1.7 percent monthly rate utilities may charge customers on overdue accounts and approved an increase in the interest rate utilities must credit customer deposit accounts from 2 percent to 4 percent. The rates were adopted in Commission Order No. 05-1232, and became effective January 1, 2006.

On February 1, 2006, Shadow Wood filed Advice 06-15 to revise its Miscellaneous Services Charges tariff in compliance with Order No. 05-1232. When reviewing the filing, Staff discovered the schedule number of the Miscellaneous Services Charges tariff was incorrect.

Shadow Wood filed Advice 06-19 on March 16, 2006, to correct the schedule number.
