

**PUBLIC UTILITY COMMISSION OF OREGON
STAFF REPORT
PUBLIC MEETING DATE: July 29, 2008**

REGULAR _____ **CONSENT** X **EFFECTIVE DATE** July 30, 2008

DATE: July 21, 2008

TO: Public Utility Commission

FROM: Renee Sloan

THROUGH: Lee Sparling, Marc Hellman, and Michael Dougherty

SUBJECT: WILLAMETTE WATER COMPANY: (Advice No. 08-31) Makes housekeeping changes to Schedule No. 3, Private Fire Protection Service.

STAFF RECOMMENDATION:

Pursuant to ORS 757.205, Staff recommends approval of the proposed housekeeping changes to Willamette Water Company's (Willamette or Company) Schedule No. 3.

DISCUSSION:

On May 15, 2008, the Commission approved tariffs for Willamette Water Company in Order No. 08-256 (UW 125). Afterward, Commission Staff discovered a typographical error in Schedule No. 3, Private Fire Protection Service, and informed Willamette of the need to file a housekeeping tariff. Subsequently, the Company filed Advice 08-31 on June 3, 2008, followed by replacement tariff sheets on June 18, 2008.

As approved, PUC Oregon No. 2, Original Sheet No. 7 contains one rate for four-inch meters and two rates for six-inch meters. The tariff should contain one rate for four-inch meters and one rate for six-inch and eight-inch meters.

Because eight-inch meters were inadvertently omitted from Willamette's Private Fire Protection Service tariff in UW 125, Staff recommends the Commission approve the Company's request to correct PUC Oregon No. 2, First Revised Tariff Sheet No. 7 to include the appropriate meter sizes and rates.
