

WRITTEN RESULTS OF PRESSURE TEST
[OAR 860-036-0320\(5\)](#)

Requirements: When a customer requests a water pressure test, the utility must provide a written [pressure test report](#) to the customer within 10 business days of test date. The report must include the following:

1. Customer name.
2. Date customer requested pressure test.
3. Address where test was conducted.
4. Identify the actual test site(s).
5. Date of test.
6. Test results.

See [Sample Form](#).
