PHARMACY LAWS AND RULES: ELECTRONIC VERSION

Electronic versions of pharmaceutical references listed under Oregon Administrative Rule 855-041-0040 satisfy the minimum equipment requirement for a pharmacy.

Oregon Board of Pharmacy Staff contacted the Secretary of State's office and were informed that the laws and rules are now updated within 30 days of a rule change being filed. Based on this information, the Board, at its March 2001 meeting, determined that a pharmacy having direct access to laws and rules via the State's website is not required to keep a paper copy of the pharmacy statutes and rules on file. Copies of the laws and rules continue to be available through the Board of Pharmacy office as before, and updates will be provided as before when rules are changed.

Oregon Revised Statute 475, which is the Uniform Controlled Substances Act, Oregon Revised Statute 689, which is the Oregon Pharmacy Act, and Oregon Administrative Rule 855, which includes the Board of Pharmacy Administrative Rules make up the laws and rules subject to the minimum equipment requirement. These can be found on the Board of Pharmacy web site at <http://www.pharmacy.state.or.us>, or on the State of Oregon website at <http://www.oregon.gov>.
