Subject: website for Board Of Pharmacy: International Association of Cannabis As Medicine

This website has research information world wide for medicinal usages of Cannabis As Medicine. This site alone should give you plenty of information on the efficacy of Cannabis As Medicine.

I implore you to review the site for educational purposes with an open mind. Science speaks the truth.

Sincerely

Mrs. Thomas J. Dickerson, Jr., BA

Review on clinical studies

A special [21-page article](#) entitled "Review on clinical studies with cannabis and cannabinoids 2005-2009" by Arno Hazekamp and Franjo Grotenhermen has been published in the IACM online journal CANNABINOIDS.
