**RULE SUMMARY**

Current rules do not allow the Oregon Board of Pharmacy to respond to an emergency or to implement measures in preparation for an emergency declared by the President or a federal official. In addition, current rules do not adequately address an emergency that is limited in scope. This amendment corrects the omission.

Complete text of the proposed rule can be found on the Board's website at [www.pharmacy.state.or.us](http://www.pharmacy.state.or.us).

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
