

LIMITED PERMIT LICENSING PROCESS

Initial Competency

Student **completes** Core Module and a "Course of Instruction" for the desired anatomical categories/areas from an **Board approved** Limited Permit School.

Apply for a "Temporary Limited Permit"

Download applications:
www.oregon.gov/radtech
You must have licensure to begin the **Practical Experience** requirement.

Temporary Limited Permit Holders or those students, who have a "*Course Completion Certificate*" from a Board approved Limited Permit School must **apply, take** and **pass** the **Core Module** and the **appropriate exams** in which they choose to hold permanent licensure **within one-year**.

Apply for a "Permanent Limited Permit"

Within one-year from the date, of course completion from a Board approved Limited Permit School.

To apply you must successfully **pass** (Minimum 75%) a Limited Permit Exam for **Core Module** and any **anatomical areas** of choice you wish to hold a "Permanent Limited Permit" licensure along with certification of the **Practical Experience** requirement by a Board licensed, ARRT certified Radiologic Technologist.

Limited Permit in Bone Densitometry Complete "*Course of Instruction*" from OHSU or OSU. **Apply** for a Temporary Limited Permit. **Pass** the ARRT exam for Bone Densitometry Equipment Operator **Apply** for "Permanent Limited Permit."

Continued Competency is the same for all Limited Permit Holders.

Continued Competency

Permit held in **1- 3 anatomical areas**:
Complete $\frac{3}{4}$ hour (.75) Continued Education (CE) per month of licensure during a renewal period.

The CE must be in anatomical areas of licensure and include **2 hours of RU/S each year** or 4 hours total per two-year renewal.

Permit held in **4 or more anatomical areas**: **Complete one hour** Continued Education (CE) per month of licensure during a renewal period.

The CE must be in anatomical areas of licensure and include **2 hours of RU/S each year** or 4 hours total per two-year renewal.

DO NOT TAKE X-RAYS - IMAGES WITHOUT AN ACTIVE LICENSURE

Allow 5 working days for processing, provided the application is **complete** and **without criminal history**.

OAR 337-010-0008 requires licensees and permit holders to maintain "**Correct Contact Information**" with the Board.

"**Updated Information Form**"
