

Having trouble viewing PDF's?

Follow the steps below if you receive the following message when attempting to open a PDF:

Please wait...

If this message is not eventually replaced by the proper contents of the document, your PDF viewer may not be able to display this type of document.

You can upgrade to the latest version of Adobe Reader for Windows®, Mac, or Linux® by visiting http://www.adobe.com/go/reader_download.

For more assistance with Adobe Reader visit <http://www.adobe.com/go/acreader>.

Windows is either a registered trademark or a trademark of Microsoft Corporation in the United States and/or other countries. Mac is a trademark of Apple Inc., registered in the United States and other countries. Linux is the registered trademark of Linus Torvalds in the U.S. and other countries.

1. Ensure you have Adobe Reader for Windows, Mac, or Linux. You can upgrade to the latest version of Adobe Reader by visiting http://www.adobe.com/go/reader_download
2. Save the page where the error message appears.
3. Open the folder on your computer where you saved the file, then open the downloaded PDF. This should bring up the PDF and not the error message.

Please contact Nohemi Ramos (503) 378-4881 or Matt Lawyer (503) 378-4888 if you are still unable to view the PDF after following these steps.
