RE: Connect Oregon III Multi-Modal and Rural Airport Applications from City of Madras

Dear Mr. Cummings:

The City of Madras understands that there is a high degree of likelihood that it will be awarded project funds for the City's Connect Oregon III Multi-Modal application. If the City is awarded its multi-modal project application, the City of Madras asks that its Connect Oregon III Rural Airports application be removed for consideration through the Rural Airports program so as to not overlap or create confusion on which program the City wishes to be funded. The City's best interest is served by being funded through the multi-modal application program and hence the reason for this letter.

Please confirm receipt of this letter and let me know if there are any other steps necessary to fully communicate this letter's intent. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Gus W. Burrell". The signature is written in a cursive, flowing style.

Gus Burrell, PE
Public Works Director
City of Madras

Cc: Mike Morgan, City Administrator, Rob Berg, Airport Manager
