2 **IN THE MATTER OF:**)

3 **TREVER J. RING, AN INDIVIDUAL**)

4 **RESPONDENT**)

) **STIPULATED ORDER**

) **CASE NO. C2014-0123**

6 The Building Codes Division (BCD) conducted an investigation on behalf of the State
7 Plumbing Board (Board) and determined that Respondent violated certain provisions of the Oregon
8 Building Codes statutes, administrative rules, and specialty codes.

9 Respondent and the Board prefer to settle this matter informally by the entry of this
10 Stipulated Order. Respondent understands that he has the right to a hearing under the
11 Administrative Procedures Act (chapter 183, Oregon Revised Statutes (ORS)), and fully and finally
12 waives the right to a contested case hearing and any appeal therefrom by the signing and entry of
13 this order in the Board's record. Respondent agrees to conduct all future business in compliance
14 with the applicable statutes, Oregon Administrative Rules (OAR), and specialty codes. Respondent
15 understands that, once final, this order is a public record.

13 **FINDINGS OF FACT**

14 On or about March 5, 2014, at 325 W Theater Lane, Hermiston, Oregon, Respondent, a 4th-
15 term Oregon plumbing apprentice, installed potable water piping and drain-waste-vent piping
16 without the direct supervision of an Oregon journeyman plumber.

16 **APPLICABLE LAW**

- 17 1. ORS 447.010(6) defines plumbing to include the art of installing, altering or repairing in or
18 adjacent to or serving buildings pipes, fixtures and other apparatus for bringing in the water
19 supply and removing liquid and water-carried waste, including the water supply distributing
20 pipes.
- 21 2. Under OAR 918-695-0140(3)(a), a person is an "apprentice plumber" and works under the
22 supervision of a journeyman plumber, and the apprentice works in the physical presence of
23 an appropriate journeyman plumber. This requires an appropriate journeyman plumber's
24 physical presence at the immediate work site at all times, except for not more than a
25 cumulative 30 minutes during any work shift provided the 30 minutes excludes time out for
meals and an appropriate journeyman plumber is immediately available for advice and
direction by voice communication during all absences.
3. Under ORS 693.030(1), a person may not engage in the trade of journeyman plumber
without a journeyman plumber license.

CONCLUSIONS OF LAW

1. Installing potable water piping and drain-waste-vent piping is plumbing as defined in ORS 447.010(6).
2. Respondent engaged in the trade of journeyman plumber by installing potable water piping and drain-waste-vent piping without an Oregon journeyman plumber license, in violation of ORS 693.030(1).
