Refund Policy

A 75% refund may be made after an application has been received. The 25% withheld covers work associated with the application, including zoning, septic and plot plan reviews, file creation and staff assignment. An additional percentage will be withheld as each additional phase of the permitting process is completed (i.e. plan review, inspections, staff report preparation). Refunds must be requested within 180 days of application. In every case, the \$35 refund request processing fee will be charged to cover the cost of refund check processing and issuance.
