RULE SUMMARY

The amended rule would clarify the procedure by which BOLI enforcement divisions would respond to an objection filed by a person served with an investigative subpoena by clarifying timelines for objecting to subpoenas and for the division's response to objections and by cross referencing the administrative rule setting out permissible grounds for objections. The amendment would provide for division discretion in responding to objections based on cost of compliance with a subpoena, allowing the division to determine use of its resources based on circumstances rather than mandatorily. The amendment would also clarify that the division may engage in communication with a person objecting to a subpoena to determine whether the division's objective and objecting person's concerns can be addressed by mutual agreement, avoiding costly enforcement actions.

The bureau filed a Notice of Proposed Rulemaking in this matter on February 22, 2015. The Notice stated that the last date for public comment on the proposed rule amendments was April 21, 2015. On April 13, 2015, the bureau Rules Coordinator received an email from an organization with 10 or more members, requesting that a public hearing be held. This Notice of Rulemaking Hearing responds to that request.

The hearing will be held on Friday, May 15, 2015 from 9 to 11 am in Room 1-D of the Portland State Office Building, 800 NE Oregon St., Portland, OR 97232.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
