Re: Oregon & Southern Idaho District Council of Laborers' Proposed Revisions to Definitions of Covered Occupations

To Whom It May Concern:

Please accept this letter on behalf of the Oregon-Columbia Chapter, NECA and IBEW Local Union 48 that we are in opposition of the definition changes requested by the Oregon & Southern Idaho District Council of Laborers. Based on past practices and traditional understandings, we see conflicts with the definition change proposals.

The Oregon-Columbia Chapter, NECA represents electrical contractors working in the State of Oregon and the IBEW represents employees working throughout Oregon.

As interested parties, we request to be informed of all hearings and/or other comment periods relating to the above requested changes.
