**Specific Project Work To Be Completed**

The students will be working with the archeologist from the District at the Twin Springs Recreation Site which is also a archeological site used by the native tribes for centuries. They will clean the site but at the same time protect the cultural resources. The students will learn what it takes to protect cultural resources through the archellogist.

Crew size will be approximately 5 young adults working 4-10 hour days at minimum wage. The crew should have work boots, BLM will provide gloves, hardhats and any necessary tools and equipment to complete the work. The Vale District will provide transportation and work leader to guide the students as they work to protect the cultural resources . Students will return each day to Vale.
