

Oregon Youth Employment Initiative (OYEI III) Work Order-Hood River 1/Page 1 of 2

Mt Hood District	Site Location	Grantee Organization Name	Grant Number
Hood River	Parkdale, Oregon	TBD	TBD

USFS Project Officer Contact	Mailing Address	E-Mail Address	Phone Number
Ken Kollas	6780 Highway 35, Mt. Hood - Parkdale, OR 97041	kkollas@fs.fed.us	(541) 352 -6002

Grantee Project Lead	Grantee Address	Grantee E-Mail	Grantee Phone Number
TBD			

Specific Project Work To Be Completed
 Approximately 3 miles of trailwork on the Eagle/Benson trails. This will be heavy brushing, tread repair, and drainage work. All work is in Wilderness requiring hand tools. It would be preferable to have members of the crew certified to use chain saws and cross-cut saws. Youth must be able to hike 5 miles and provide all needed personal protective equipment (PPE). This work could be accomplished with day crews if they were commuting from within an hour of the location of project work (Hood River, Gov. Camp, etc...); however, it would be preferable to use crews capable of spiking out on the trails or camping in front country campgrounds. Crews would preferably spike out monday-friday on the trails and would need to supply all of there own sleeping equipment, cooking utensils and tools. Spike out camping locations available and would be coordinated with trail crew leader. More trails work available if needed to fill out a crew assignment.

Project Start Date	Project End Date	Project Not To Exceed Amount
6/1/12	9/30/12	Stimulus funding

Number of Corpsmembers	Total Hours Per Corpsmember	Number of Crew Leaders	Total Hours Per Crew Leader
8	120.00	2	120.00
