

Alternative Water Source Declaration

Program Information

Child Care Provider or Facility Name:

DHS Provider Number:

CCLD Number:

Declaration

This declaration verifies the child care provider or child care facility named above does not use any of the on-site plumbing fixtures to obtain water for drinking, cooking, preparing infant formula, or preparing food.

Alternative Water Source:

The Child Care Licensing Division encourages facilities to have a plan to ensure they always have a sufficient alternative water source available for children and encourage testing of at least one faucet as a backup plan if the alternative water source runs out.

Sign and Submit

After completing the alternative water source declaration, please sign below, then submit to the Child Care Licensing Division by email, LeadTesting@delc.oregon.gov, mail, Child Care Licensing Division, Attn: Lead, 700 Summer Street NE #350, Salem, OR 97301, or fax to 503-947-1428.

Providers are required to notify the Child Care Licensing Division in writing if the alternative source of water changes.

Signature of child care provider or director of child care facility

Date

You are entitled to language assistance services and other accommodations at no cost. If you need help in your language or other accommodations, please contact the Child Care Licensing Division at 503-947-1400.
