ASSOCIATION REPORTS

Oregon Dental Association

The ODA had nothing to report. Mr. Braatz stated that he had included the Access to Dental Care in Oregon report for the Board's review. Dr. Nichols asked who this report was directed to and if it was a living document. Ms. Fletcher stated that they are still looking at who would be receiving the document but it will be used in the next legislative session. Dr. Pollard stated that although the report is a living document, they weren't sure how long that would extend.

Oregon Dental Hygienists' Association

Ms. Ironside stated that the ODHA had nothing to report.

Oregon Dental Assistants Association

No one from the ODAA was present.

COMMITTEE AND LIAISON REPORTS

WREB Liaison Report

Mr. Braatz stated that Dr. Short was not available to give a report but all the information was included for the Board to review.

AADE Liaison Report

Mr. Braatz stated that he, Dr. Short and Ms. Lindley would be attending the Mid-Year Meeting. Unfortunately, Ms. Mason will not be able to attend due to conflicting schedules.

Committee Meeting Dates

Dr. Grant stated that on November 4 there was a Communications Committee meeting where they reviewed a few communication issues, one being new Licensee letters and the second regarding having disciplinary history on the OBD Web site. Dr. Grant stated that the Board thought it would be nice if the President signed new Licensee letters. As of this date, the letters are being mailed with the President's signature.

Dr. McCully moved and Dr. Nichols seconded that the Board rescind its September 23, 2003 decision to include detailed information on disciplinary history on the Web site. The motion failed with Dr. McCully and Dr. Nichols voting aye and Dr. Martin, Dr. Huddleston, Mr. Smyth, Ms. Mason and Ms. Potts voting nay.

EXECUTIVE DIRECTOR'S REPORT

Budget Status Report

Mr. Braatz stated that the July 1 2005 through November 30, 2005 report shows revenue of \$302,899.13 and expenditures of \$331,970.55. Although these figures appear to show that the OBD has not taken in sufficient revenue to cover expenses. That is not true, as a major source of revenue for the OBD are dental license renewals. The first dental renewal for this biennium will not take place until later this month, as the renewal notices are sent out on January 13, 2006. Mr. Braatz also stated that this is one reason that the OBD carries a reserve balance, to cover these periods where expenditures exceed revenues. The budget continues to perform as expected.

Board and Staff Speaking Engagements

Friday, December 2, 2005 – Mr. Braatz presented OBD updates at DBIC Risk Management Seminar for the Marion-Polk-Yamhill County Dental Society.

Oral Health Advisory Board Update

Mr. Braatz stated that the Oral Health Advisory Board met on December 9, 2005. The Oregon State Oral Health Plan will be presented at a statewide meeting that will be held on Friday, May 12, 2006. He also stated that he would provide more information as he received it and that he hoped that there would be some OBD members present at that meeting.

Customer Service Survey

Mr. Braatz stated that he has enclosed a chart showing the results of the Customer Service

Survey from July 1, 2005 through December 19, 2005, for the Board's review. The results of the survey continue to show positive comments from the majority of those that return the survey.

Limited Access Permit Survey

Mr. Braatz stated that the OBD currently has 67 individuals who are licensed Dental Hygienists who have also received a Limited Access Permit (LAP); 61 with Oregon addresses. On November 4, 2005, a survey was mailed to all LAP hygienists in Oregon, regarding workforce. To date we have received 41 completed surveys, a 67% return rate. The Board asked Mr. Braatz to include a disclaimer that states that the survey is not a scientific study and was meant for minimal informational purposes only.

AADA/AADE/ADA National Dental Examiners Forum

Mr. Braatz requested authorization to attend the American Association of Dental Administrators Mid-Year Meeting on Sunday, March 19, 2006, the American Association of Dental Examiners Mid-Year Meeting on March 19-20, 2006, and the American Dental Association National Dental Forum on Tuesday, March 21 to be held in Chicago, IL. He also requested approval for Lori Lindley, Assistant Attorney General, to attend the Board Attorneys' Roundtable meeting that is held as part of the AADE Mid-Year Meeting, March 19-20, 2006, in Chicago where she will be once again co-chair the meeting. Ms. Potts moved and Dr. Nichols seconded that the Board approve Mr. Braatz's request. The motion passed with Dr. Nichols, Dr. McCully, Ms. Potts, Dr. Martin, Mr. Smyth, Ms. Mason and Dr. Huddleston voting aye.

Board Room Expansion

Mr. Braatz reminded the Board that he was still waiting for the final cost estimates on remodeling of the Board room and addition of the file room to our existing space. As soon as he has those numbers, he will submit them to DAS for their review and approval. DAS needs to give the final approval to make an adjustment to our lease, even if we will be using existing expenditure authority. We will not have to ask the E- Board for any additional funds.

Break-in

Mr. Braatz notified the Board that on Sunday, December 4, 2005, people gained entry to the building through the building engineer's office. Nothing was taken from the Board office. One staff member had their desk and credenza broken into and other desks, drawers, etc., were opened and had been gone through. At this time we cannot ascertain that anything was taken from the office; all property, files, etc., appear to be accounted for.

Newsletter

The next OBD newsletter should be sent out in late January or February. If Board members have suggestions for articles or articles that they have written, they will be gladly accepted.

UNFINISHED BUSINESS

RULES

HB2157 – Criminal Background Check Rules

Mr. Braatz enclosed a first draft of the amendments and creation of new rules to the OBD Rules regarding criminal background checks, in an effort to have all rules ready for hearing on March 9, 2006. The amendments are a result of HB2157 which will allow the OBD, as well as other state agencies, to perform a nationwide FBI criminal background check of applicants or licensees who may be under investigation. The rule took effect January 1, 2006 but requires specific rules specifying individuals' rights and responsibilities. Ms. Potts moved and Dr. Martin seconded that the rule be moved to hearing. The motion passed with Dr. Nichols, Dr. McCully, Ms. Potts, Dr.

Martin, Mr. Smyth, Ms. Mason and Dr. Huddleston voting aye.

CORRESPONDENCE

The Board received a letter from Susan M. Sanzi-Schaedel, R.D.H., M.P.H.

Ms. Sanzi-Schaedel, the Director of the Schools/Community Dental Health Program for Multnomah County, sent a letter to the Board asking that the wording for the parent notification letter used following a dental screening by a hygienist be reworded. She states that the verbiage is inconsistent, redundant and has too high of a reading level for the people receiving it. After review, the Board decided that Ms. Sanzi-Schaedel had some very good points and that some of her wording was much clearer to understand for the population being served. The Board has opted to make some changes to the policy and the recommended form.

The Board received a letter from John H. Killian, D.M.D.

Dr. Killian forwarded a letter to the Board regarding the independent practice of Dental Hygienists. No action is necessary.

The Board received a letter from Jeff Lawniczak

Mr. Lawniczak wrote to the Board regarding how it is practically impossible to get his teeth cleaned without having to have a full exam done. No action was necessary but the Board directed Mr. Braatz to thank Mr. Lawniczak for his input.
