**EXECUTIVE SESSION:** The Board entered into Executive Session pursuant to ORS 192.606 (1)(f), (h) and (k); ORS 676.165; ORS 676.175 (1), and ORS 679.320 to review records exempt from public disclosure, to review confidential investigatory materials and investigatory information, and to consult with counsel.

**OPEN SESSION:** The Board returned to Open Session.

#### **Definition of Dental Assistant**

The Board finds upon review and consultation with counsel that the term “assistance” is broadly defined. The term is broad enough to reasonably include the rules of restorative procedures by a Dental Assistant. The term is broad enough to include the Dentist’s ability to assign a task that they are ultimately responsible for to a Dental Assistant to accomplish that form of treatment. The Board finds they have broad discretion to make and enforce rules for dental auxiliary personnel and to interpret the statute.

Therefore, Dr. Short moved and Dr. Grant seconded that no change occur, thus there is no need for legislative change to ORS 679.010. The motion passed with Mr. Smyth, Dr. Grant, Dr. Short, Ms. Mason, Dr. Huddleston, Dr. Magnuson, Ms. Davidson and Dr. Parker voting aye.
