ASSOCIATION REPORTS

Oregon Dental Association

Jeff Stewart, D.D.S., Speaker of the House of the ODA, updated the Board on the ODC (April 12-13) and the MOM project being held in Medford in September. The ODA is working on legislation regarding volunteer dental services and is attempting to create a temporary license which would allow dental professionals to have temporary access, to provide care for the people in Oregon, when they're doing so for no remuneration.

Oregon Dental Hygienists' Association

Ms. Ironside stated that there was no formal report for the Board but she did want to introduce the ODHA's president-elect, Tina Clarke, R.D.H., and Kelly Swanson Jaecks, R.D.H., who is the ADHA District 12 Trustee.

Oregon Dental Assistants Association

Sheri Billetter had nothing to report.

COMMITTEE AND LIAISON REPORTS

WREB Liaison Report

Dr. Magnuson stated that in January, WREB had its first official Board of Directors meeting. Basically it was a business meeting with nothing of interest for the Board of Dentistry.

Mr. Braatz told the Board that he'd been informed of an issue with the Dental Hygiene WREB exam. Currently, Oregon Dental Hygiene faculty staff is not allowed on the premises of testing sites to hand out instruments. He stated that we have been made aware of a few situations that have had Oregon faculty resorting to checking instruments in and out to students from their cars. The Board found this unacceptable and has asked that Dr. Magnuson bring this to WREB's attention and ask them to make allowances for faculty to be on-site to pass out and collect instruments for hygiene students taking the exam.

AADB Liaison Report

Dr. Parker stated that there was an AADB meeting occurring in April.

ADEX Liaison Report

Dr. Parker had nothing to report.

NERB Liaison Report

Dr. Hongo stated that the NERB corporate office will be moving. This move will be providing the office with some much needed space but cost less money. Dr. Hongo also added that several states had recently joined NERB, which was also good news.

Ms. Davidson stated that she and Mr. Braatz attended the President's meeting and there was quite a bit of discussion regarding mid-level providers, CODA accredited programs, who's going to examine them, and are they to be tested with dental students; just a variety of topics that one would expect to accompany a new level of practitioner.

Committee Meeting Dates

No committee meeting reports.

EXECUTIVE DIRECTOR'S REPORT

Budget Status Report

Mr. Braatz attached the latest budget reports for the 2011-2013 Biennium. This report, which is from July 1, 2011 through December 31, 2011, shows revenue of \$476,673.24 and expenditures of \$546,554.68.

Customer Service Survey Report

Mr. Braatz attached a chart which shows the OBD State Legislatively Mandated Customer Service Survey Results from July 1, 2011 through January 31, 2012. The results of the survey show that the OBD continues to receive positive comments from the majority of those that return the surveys. The booklet containing the written comments that are on the survey forms, which staff has reviewed, are available on the table for Board members to review.

2012 Legislative Session

Mr. Braatz stated that the 2012 Session is in full swing. He attached a copy of HB 4009, which was the only legislation that he was aware of that will have any impact on the OBD at this time. He stated that this legislation would remove the special monitoring entity from the HPSP program, thus saving approximately \$180,000 during the 2011 – 2013 Biennium.

ORS 676.405 - Release of Personal Information

The Board is not obligated to release personal information if the Board votes not to. Personal information is deemed as information that we are not legally required by law to provide. For us it would be personal or business email addresses, or any additional address. Dr. Hongo moved and Dr. Parker seconded that the Board not release personal information that is not legally required. UNFINISHED BUSINESS

Petition to Adopt Administrative Rules

Mr. Braatz stated that Paul Cosgrove, on behalf of the Oregon Dental Hygienists' Association, sent a Petition to Adopt an Administrative Rule to the Board on January 10, 2012. The new rule would read as follows, if adopted as proposed:

818-035-XXXX

Services by Expanded Practice Dental Hygienist to Persons from Underserved Areas

In addition to the persons described in ORS 680.205(1)(a) through (e), a dental hygienist issued an Expanded Practice Permit may provide dental hygiene service to persons who live in the following underserved areas:

- 1) Areas designated as Dental Health Manpower Shortage Areas
- 2) Areas in which dental providers are eligible for rural practice tax credits pursuant to ORS 315.613-315.622; or
- 3) Other areas in which the board determines, upon request from a licensee or other person, that there is unmet need or oral health services, or where patients have difficulty accessing oral health care services.

Ms. Lindley stated the Board has an obligation to acknowledge the petition within 90 days. They can either send the petition to rules or deny the petition. Ms. Lindley stated that current legislation has taken care of the issues. Mr. Braatz reminded the Board that rules have to go in front of a small business committee, which is covered by our Rules Oversight Committee.

Mr. Braatz stated that there are new legislative bills to allow volunteer work on an invitational basis. Mr. Braatz stated his issue was the ability to make sure that there is verbiage to make sure that the volunteer licensee is reputable. Another verbiage change in the same bill is to put the word location back in SB 1509. The - 8 amendments make even more changes to the rules.

Ms. Mason moved and Dr. Parker seconded that the Board send this petition to the Rules Oversight Committee. The motion passed with Dr. Parker, Mr. Smyth, Dr. Huddleston, Ms. Mason, Dr. Magnuson, Dr. Hongo, Dr. Schwindt and Mr. Harvey voting aye.

Dr. Hongo moved and Dr. Parker seconded that the Board go on record as supporting the

motion to accept “location” in the new amendments. The motion passed with Dr. Parker, Mr. Smyth, Dr. Huddleston, Ms. Mason, Dr. Magnuson, Dr. Hongo, Dr. Schwindt and Mr. Harvey voting aye.

CORRESPONDENCE

The Board received a letter from Bill Osmunson, D.D.S.

The Board received another letter from Dr. Osmunson. The Board directed Mr. Braatz to thank Dr. Osmunson for his letter.

The Board received a letter from Warren Roberts, D.M.D.

Mr. Braatz stated that the Board has a current rule pending regarding Botox and other fillers and he just wanted to present this letter to the Board for their review. Dr. Huddleston stated that he’s talked with Dr. Roberts and that he did express interest in speaking with the Board regarding this matter. He added that we’ve had presentations against Botox but not in favor of such a rule. Mr. Braatz stated that we’ve already started the rule process for Botox and that a presentation at this point was taking a step back. Dr. Schwindt clarified the current rule regarding who can and cannot use dermal fillers and it was done because the definitions of where dentistry stopped and cosmetic procedures began was very muddy and unclear.

OTHER BUSINESS

Gary Chiodo, D.M.D., and Jenny Mladenovic, M.D., Provost, OHSU

Dr. Chiodo and Dr. Mladenovic came to meet with the Board just to make sure they knew who everyone was. Dr. Chiodo made it clear that there were open and transparent lines of communication between the Board and OHSU. He made a proposal for the Board, regarding areas of oversight that are crossing between OHSU, the OBD and the ODA. He proposed convening a meeting of leaders from all agencies on a quarterly basis to compare notes and regroup so that everyone can be on the same page. The agenda would be based on everyone’s input.

Dr. Mladenovic added that OHSU is committed to providing health care throughout the state and that dentistry needs to be extended to more rural areas. One of the agendas at OHSU is to educate other “professions” as a way to meet those needs.

Oregon Dental Association – Approval as a Provider

Ms. Mason moved and Dr. Magnuson seconded that the Board approve the ODA as an approved provider for Expanded Practice Dental Hygienist Permit clinical dental hygiene or public health courses.
