**Department of Environmental Quality
Application for New
NPDES General Permit 1200-C**
For stormwater discharges to surface waters
from construction activities disturbing one
acre or more that do not meet automatic
coverage requirements.

DEQ USE ONLY

Date Received: _____
Amount: \$ _____
Check #: _____
Check Name: _____
Deposit #: _____
Receipt #: _____
Notes: _____

*A project *may* be eligible for “automatic coverage” under NPDES general permit 1200-CN if stormwater *does not* discharge to a waterbody with a TMDL or 303(d) listing for sediment or turbidity *and* it meets one of the following criteria (see 1200-CN at <http://www.oregon.gov/deq/FilterPermitsDocs/1200cnPermit.pdf>:

- 1) Disturbs less than one acre and is located in Gresham, Troutdale, or Wood Village.
- 2) Disturbs less than five acres and is located in Albany, Corvallis, Eugene, Milwaukie, Multnomah Co. (unincorporated areas), Springfield, West Linn, or Wilsonville.
- 3) Disturbs less than five acres and is within the jurisdictions of Clackamas Co. Water Environment Services [Gladstone, areas within Clackamas Co. Service Dist. #1 (excluding Happy Valley), and areas within the Surface Water Management Agency of Clackamas Co. (including Rivergrove)], Clean Water Services (Banks, Beaverton, Cornelius, Durham, Forest Grove, Hillsboro, King City, North Plains, Sherwood, Tigard, Tualatin, and Washington Co. within Urban Growth Boundary), or Rogue Valley Sewer Services.

A. PROJECT INFORMATION

<p>1. _____ Applicant (entity legally responsible for permit)</p> <p>_____ Contact Name (if different from applicant)</p> <p>_____ Address</p> <p>_____ City _____ State _____ Zip</p> <p>_____ Telephone _____ Email Address</p>	<p>2. Invoicing information (person or entity legally responsible for payment of annual fee invoice; not a third party independent of the applicant)</p> <p>_____ Invoice Contact Name (if different from applicant)</p> <p>_____ Address</p> <p>_____ City _____ State _____ Zip</p> <p>_____ Telephone _____ Email Address</p>
<p>3. _____ Architect/Engineering Firm (Erosion & Sediment Control Plan)</p> <p>_____ Project Manager</p> <p>_____ Telephone _____ Email Address</p>	<p>4. _____ Applicant's Designated Erosion and Sediment Control Inspector</p> <p>_____ Company Name</p> <p>_____ Telephone _____ Email Address</p> <p>_____ Qualification program and number (if applicable) <i>*required after January 1, 2017</i></p>

<p>5. _____ Name of Project</p> <p>_____</p> <p style="text-align: center;">Address or Cross Street</p> <p>_____</p> <p style="text-align: center;">City State Zip</p> <p>_____</p> <p style="text-align: center;">County</p>	<p>6. Nature of Construction Activity</p> <p><input type="checkbox"/> Single Family (SIC Code 1521)</p> <p><input type="checkbox"/> Multi-Family Residential (SIC Code 1522)</p> <p><input type="checkbox"/> Commercial (SIC Code 1542)</p> <p><input type="checkbox"/> Industrial (SIC Code 1541)</p> <p><input type="checkbox"/> Highway (SIC Code 1611)</p> <p><input type="checkbox"/> Utilities (SIC Code 1623): _____</p> <p><input type="checkbox"/> Other (SIC Code required): _____</p> <p>Army Corps No. (if any): _____</p>
<p>7. Approximate location of center of site</p> <p>Latitude: _____ Longitude: _____</p> <p style="text-align: center;"><i>**For assistance: DEQ Location Improvement Tool at: http://deqapp1/website/lit/data.asp**</i></p>	<p>8. <p>9. Are you aware of groundwater contamination located within the site boundary? <input type="checkbox"/> YES <input type="checkbox"/> NO</p> <p>Indicate if a dewatering plan or active treatment system O & M Plan is included (plan review fee may apply). <input type="checkbox"/> YES <input type="checkbox"/> NO</p>	
<p>10. Receiving waterbody - Must identify final discharge location of construction stormwater flows.</p> <p><input type="checkbox"/> Infiltration device(s)</p> <p><input type="checkbox"/> Waters of the State (name or description):</p> <p><input type="checkbox"/> Ditch (downstream receiving waterbody):</p> <p><input type="checkbox"/> Municipal storm sewer or drainage system (downstream receiving waterbody):</p> <p><input type="checkbox"/> Other:</p>	
<p>11. Stormwater runoff during construction discharges directly to or through a storm sewer or drainage system that discharges to a waterbody with a Total Maximum Daily Load (TMDL) or 303(d) listing for turbidity or sedimentation? <input type="checkbox"/> YES <input type="checkbox"/> NO</p> <p style="text-align: center;"><i>**For assistance: DEQ assessment database page at http://www.deq.state.or.us/wq/assessment/rpt2012/search.asp**</i></p>	
B. LAND USE COMPATIBILITY STATEMENT	
<p>Provide the <u>original</u> completed Land Use Compatibility Statement (LUCS) signed by the local land use authority and findings if applicable. The application will be incomplete unless the local land use authority approves activities ensuring construction is consistent with local and statewide planning goals.</p> <p style="text-align: center;"><i>**A copy of this form may be found at https://www.oregon.gov/deq/Permits/Pages/LUCS.aspx**</i></p>	
C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE	
<p>The legally authorized representative <i>must</i> sign the application (see instructions – Section C).</p> <p>I hereby certify that the information contained in this application is true and correct to the best of my knowledge and belief. In addition, I agree to pay all permit fees required by Oregon Administrative Rules 340-045. This includes a compliance determination fee invoiced annually by DEQ to maintain the permit.</p>	
<p>_____ Name of Legally Authorized Representative (Type or Print)</p>	<p>_____ Title</p>
<p>_____ Signature of Legally Authorized Representative</p>	<p>_____ Date</p>

APPLICATION AND FEE SUBMITTAL

To authorize permit registration, the following must be completed and submitted to the appropriate DEQ regional office or DEQ Agent (see list of offices in application instructions, pp. 3-4):

- DEQ application form signed by the Legally Authorized Representative and meeting the signature requirements below.
- DEQ LUCS. Include the Findings if so stated on the LUCS.
- Stormwater Erosion and Sediment Control Plan Narrative, if applicable.
- Dewatering and/or Treatment Plan, if applicable.
- Stormwater Erosion and Sediment Control Plan Drawings; full-sized hard copy and electronic file.
- Applicable permit fee. Appropriate fees are available at http://arcweb.sos.state.or.us/pages/rules/oars_300/oar_340/340_tables/340-045-0075_12-10-15.pdf. All stormwater permits charge an application fee and an annual fee upon registration. DEQ will invoice the annual fee amount if your project coverage extends more than a year. **Please note:** if submitting a dewatering or active treatment O&M Plan to address contaminants beyond sediment a disposal system plan fee may be charged as indicated in Table 70H.

Application Instructions

A. PROJECT INFORMATION

1. Enter the legal name of the applicant. Permit coverage will be issued to this entity. This is the person, business, public organization, or other entity responsible for ensuring that erosion and sediment controls are in place and in working order through the life of the project.
 - The name must be a legal, active name registered with the Oregon Department of Commerce, Corporation Division in Salem at 503-378-4752 or http://egov.sos.state.or.us/br/pkg_web_name_srch_inq_login, unless otherwise exempted by their rules. If the name of the applicant is not registered with the Corporation Division and the applicant is a business entity, attach legal documents that verify the entity's existence with the application. The applicant may not use an assumed business name.
 - Permit coverage may be transferred from one party to another. For example, a developer may apply for a permit and then transfer the permit to a contractor. Transfer forms are available from DEQ or at: <http://www.oregon.gov/deq/wq/wqpermits/Pages/Stormwater.aspx>.
2. Provide invoice contact information for billing of DEQ annual permit fee if different from the applicant in #1 above. This is the person or entity legally responsible for payment of the annual fee invoice, not a third party independent of the applicant.
3. Provide contact information for the Architect or Consulting Engineer who designed the Erosion and Sediment Control Plan (ESCP) and Dewatering Plan, if applicable.
4. Provide information on the Erosion and Sediment Control Inspector. This is not a DEQ or DEQ Agent inspector; this is an inspector employed by the applicant. If the inspector has not been selected yet, please state TBA and when selected, submit to DEQ or to the DEQ Agent, the name, contact information, training and experience. After January 1, 2017, for project 5 acres or more include inspectors' qualification certificate program and number.
5. Provide the common name of the project (for example, the name of the subdivision), the location of the site with respect to crossroads in the area, and, if available, a street address.
6. Check the box that best describes the nature of the construction activity. If "other" is selected, describe the use and include a Standard Industrial Classification Code (visit <http://www.osha.gov/pls/imis/sicsearch.html> for codes). For projects that have submitted a joint permit application, please provide the US Army Corps of Engineers assigned number.
7. Enter latitude and longitude for the approximate center of the site (DEQ Location Tool at <http://deqapp1/website/lit/data.asp>).
8. If known, specify approximate start date. Provide information on the project size as indicated (based on the total project and not just a single phase).
9. For projects that anticipate dewatering or the need for active treatment system, additional details of BMPs and/or operation and maintenance plans is required. This may include a disposal system plan review fee (Table 70H) for treatment of contaminants beyond sediment. http://arcweb.sos.state.or.us/pages/rules/oars_300/oar_340/340_tables/340-045-0075_12-10-15.pdf
10. Indicate where stormwater runoff during construction will flow. Request information from local authority or use best judgment to determine the name of the receiving waterbody.
11. Indicate whether stormwater runoff during construction will discharge directly to or through a storm sewer or drainage system that discharges to a Total Maximum Daily Load (TMDL) or 303(d) listed waterbody for turbidity or sedimentation. To make this determination, the following tools are available on DEQ's website:
 - WQ Assessment page: <http://www.deq.state.or.us/wq/assessment/rpt2012/search.asp> to use scroll down to search criteria: waterbody and listing status Category 5 (303d) and Category 4a (TMDL approved).

SECTION B. LUCS COMPLETE AS INSTRUCTED ON THE FORM AND INITIALLY INDICATED ON THIS APPLICATION.

C. SIGNATURE OF LEGALLY AUTHORIZED REPRESENTATIVE

DEFINITION OF LEGALLY AUTHORIZED REPRESENTATIVE:

Please also provide the information requested in brackets []

- **Corporation** - president, secretary, treasurer, vice-president, or any person who performs principal business functions; or a manager of one or more facilities that is authorized in accordance to corporate procedure to sign such documents.
- **Partnership** - General partner [list of general partners, their addresses, and telephone numbers].
- **Sole Proprietorship** - Owner(s) [each owner must sign the application].
- **City, County, State, Federal, or other Public Facility** - Principal executive officer or ranking elected official.
- **Limited Liability Company** - Member [articles of organization].
- **Trusts** - Acting trustee [list of trustees, their addresses, and telephone numbers].

(please see 40 CFR §122.22 for more detail, if needed)

APPLICATION AND FEE SUBMITTAL

Submit this application, Narrative Parts I, II & III (if applicable), LUCS, Erosion and Sediment Control Plan (full-sized hard copies and electronic copy), Dewatering and/or Treatment Plan and the applicable fee to the appropriate DEQ regional office or DEQ Agent listed below. Contact the appropriate DEQ regional office or DEQ Agent for the best way to submit the electronic version of the ESCP.
