Basic Description
The Oregon Competitive Employment Project seeks to enhance the quality of life in Oregon by achieving, maintaining and advancing the competitive and inclusive employment of persons with disabilities. The project is funded by a four-year Medicaid Infrastructure Grant from the Centers for Medicare and Medicaid Services, and is part of the Oregon Department of Human Services, Office of Vocational Rehabilitation Services.

Major Outcomes

Outcome 1

Increase the yearly total of people with disabilities receiving benefits and work incentives planning services and supports needed to achieve their desired employment outcomes by 25% from a baseline of 819 to 1024 by December 31, 2008. (Baseline data source: 2007 Work Incentives Network (WIN) and 2007 Work Incentives Planning and Assistance (WIPA) client count).
### Primary Strategy

Provide and promote WIN comprehensive benefits and work incentives planning system supports and services to Oregonians statewide in order to provide information, services and supports for persons with disabilities who wish to achieve, maintain or advance competitive employment outcomes.

### Strategy 1

Implement data collection and integrated outcomes system that will provide monthly reports to MIG for WIN and WIPA by 06/01/2008; complete business case for implementation of revised and sustainable on-line benefits calculator (Workbenefits.org) by 12/31/2008.

### Strategy 2

Complete annual re-certification of current WIN staff by 10/31/2008; provide monthly training on specific work incentives to WIN staff through 12/31/2008.

### Strategy 3

Conduct a minimum of 20 regional and 6 statewide outreach events by 12/31/2008.

### Strategy 4

Complete Policy Option Package ("POP") for 2009-2011 Oregon Legislature to obtain sustainable funding for WIN; convene WIN sustainability workgroup and identify a minimum of 2 additional strategies for sustainability by 12/31/2008.

### Strategy 5

Complete and get approval for WIN contracts 7/07-12/31/08 with 6 Centers for Independent Living by 6/16/2008; continue monthly, quarterly and annual monitoring of CIL WIN services as per WIN QA/QE plan; renew annual cooperative agreements with WIPA, DPN and other partners as necessary; complete and distribute WIN policy/procedure manual by 12/31/2008.

#### Accomplishments

#### Problems/Issues

Strategy 1: Online benefits calculator shelved due to preliminary research showing little use by consumers; Due to state budget forecast SGF requested will only be for client services. Strategy 2: Re-certification scheduled 2/2-2/5/09; initial training for 2 new staff done by NCHSD 1/20-1/23/09. No monthly training done December: presenter (Food Stamps Policy Analyst) canceled due to inclement weather. Strategy 4: POP not in first draft of Governor's Budget; work to get it included will continue. Strategy 5: New MIG staff starting 1/26/09; will be writing policy/procedure manual.

Outcome 4
Increase number of students receiving education/information and referral for employment opportunities by December 31, 2008 by: A) Increasing number of trained IEP Transition Peer Support Partners providing Information in transition meetings that lead to employment opportunities for students by 50% from 19 to 29. (Baseline data source: 2007 OrPTI contract reports) B) Increasing number of students with person-centered employment plans who gained employment by 10% from 9 to 10. (Baseline data source: 2007 OCDD contract reports).

Primary Strategy
Increase the awareness, understanding and knowledge that youth and adults-in-transition, families, teachers and disability professionals have of transition processes, transition planning and available supports and services after graduation/exiting high school.

Strategy 1
Continue to contract with Oregon Parent Training and Information Center to provide and refine as needed training focusing on employment opportunities and supports and services sources after high school for peer support partners ("IEP Partners"); monitor progress of contractual agreement including deliverables and performance indicators including how many IEP partners provided peer support in transition meetings through 12/31/2008.

Strategy 2
Continue to contract with Oregon Council on Developmental Disabilities to provide technical assistance to 2 regional interagency collaborative regional groups that include parents, students, DOE, DD, MH, VR and other professional and community staff to do person-centered employment plans for students in transition and identify funding independent of MIG to sustain this model; monitor contractual agreement including numbers trained, seeking and gaining employment through 12/31/2008.

Outcome 5

Provide a minimum of 10 persons with disabilities living in a rural community without any public or private transportation options that will afford them the opportunity to get to and from employment; support and assist local government with marketing and outreach to promote community support for system by 12/31/2008. (Baseline data source: Oregon Department of Transportation (ODOT) 2006 Public Transit Division Transportation Provider report).

Primary Strategy

Collaborate with the Oregon Department of Transportation (ODOT) and 1 rural community in implementing and sustaining one or more initiatives from their Safe, Accountable, Flexible Efficient Transportation Equity Act-A Legacy for Users' (SAFETEA-LU) Human Service Coordinated Transportation Plan to expand transportation capacity to promote competitive employment for people with disabilities.

Strategy 1

Contract with ODOT and the Association of Oregon Counties (AOC) to provide assistance to 1 rural Oregon community (LaPine) to develop portion of county's SAFETEA-LU plan's section on provision of transportation to people with disabilities seeking, attempting to maintain or advance employment through 12/31/2008.

Strategy 2

Collaborate with ODOT, AOC and sub-contractor to develop and disseminate template that can be utilized statewide for creation of a private transit system in rural communities with no public or private transportation options by 12/31/2008.
### Strategy 3
Collaborate with ODOT, AOC and Central Oregon Intergovernmental Council (COIC) on marketing strategies and outreach materials to promote community support for transportation options for their citizens with disabilities by 12/31/2008.

### Outcome 6

**Workplan Outcome**
Increase use of following work incentives by 12/31/2008: A) Ticket to Work by VR, TANF, DD and MH clients by 25% from 354 to 443 (Baseline data source: Maximus SSA Assignment Detail report 2007). B) Plans for Achieving Self-Support (PASS) and Impairment Related Work Expense (IRWE) by 10% from 67 to 74 (Baseline data source: SSA SSI Disabled Recipients Who Work 2007 report). C) Increase number of enrollees in Oregon Medicaid Buy-In program, Employed Persons with Disabilities (EPD) by 15% from 626 to 720 (Baseline data source: EPD Monthly Premium report).

**Primary Strategy**
Develop and promote policies and practices that increase the usefulness, effectiveness and availability of work incentives and work incentive programs, and that lessen or eliminate disincentives to work.

**Strategy 1**
Provide support for, assist in planning and facilitate outreach for EPD program to Seniors and Persons with Disabilities staff and contractors by 4/30/2008; provide EPD with fact sheet outlining changes in program by 3/1/2008; disseminate fact sheet to WIN staff, SPD outreach participants and other stakeholders by 4/20/2008.

**Strategy 2**
Continue collaboration with Oregon VR, Seniors and People with Disabilities and Addictions and Mental Health Divisions for Oregon Department of Human Services to become Employment Network after new ticket regs are published by 12/31/2008.

**Strategy 3**
Provide assistance to WIN participants in writing and getting approval for PASS and IRWE plans through 12/31/2008.

**Strategy 4**
Continue participation on EPD policy revision workgroup to address issue of participants ability to access personal care and other Medicaid state plan services upon retirement without jeopardizing savings and resources available to them through EPD through 12/31/2008.

**Strategy 5**
**Funds Budgeted Annually to Outcome**

(2 out of 3) 2008 Workplan Outcomes Achieved: (B) 75; an increase of 12%
Accomplishments

and (C) 1,026; an increase of 164%. Strategy 1: WIN and MIG staff continue to participate in EPD quarterly trainings and include information and outreach materials on EPD to all WIN participants and in all outreach presentations. Strategy 3: 4 WIN PASS approved; 3 in process of getting approval.

Problems/Issues

2008 Workplan Outcome (A) not achieved: Total Ticket Usage: 320, a decrease of 9.5%. This decrease attributed to delay in change in regulations and delay in Strategy 2: Due to Oregon VR going into Order of Selection 1/09 work on DHS as EN delayed; will resume 2/2009. Strategy 4: EPD workgroup not yet reconvened due to projected state budget issues; group is expected to reconvene in early 2009 and deal with portability and other key issues related to design of EPD.
