MARYLAND FIRE & RESCUE INSTITUTE NFPA FIRE OFFICER SOFTWARE/MEDIA REQUEST FORM

We, the _____ request permission to obtain a Software/Data copy of the following **Maryland Fire & Rescue Institute (MFRI)** training program for NFPA Fire Officer I and/or NFPA Fire Officer II.

Developed by **MFRI**, these programs are made available to the Oregon Fire Service through a joint agreement between the **Maryland Fire & Rescue Institute** and Oregon's **Department of Public Safety Standards and Training**.

Your Rights

As a condition of use, we may not copy the Software/Data for any reason whatsoever—except to install the program on a hard drive on a single microcomputer. We may not revise, translate, convert, disassemble or otherwise reverse engineer the Software/Data. We may not sell, license, rent, loan, or otherwise distribute or network the Software/Data.

Requirements and Expectations

By accepting and utilizing this material, you are agreeing to the requirements outlined in the following:

1. As the instructor you are required to conduct a validated written testing component that meets the Authority Having Jurisdiction (AHJ).
2. The candidate must pass the written examination with 70% or greater at the end of the course- which is in compliance with the college grading system.
3. Students who do not meet the testing requirements will not be eligible for DPSST Fire certification in this area.
4. By agreeing to the afore, you are agreeing that your records can be audited at any time by DPSST fire program staff.

By accepting this material, we agree not to disclose or provide copies of this material to anyone outside of this agency. **DPSST** requires that any agency desiring this material seek written permission. Should we fail to abide by this agreement, **MFRI** and/or **DPSST** reserve the right to remove all Software/Media training materials from further distribution within the State of Oregon.
